Republic of Malawi

PRESS RELEASE

INTAKE OF INTERNS INTO THE 2026/27 GRADUATE INTERNSHIP PROGRAMME (THE 12th COHORT)

For Immediate Release

February 05, 2026
Ministry of Labour
Lilongwe

The Ministry of Labour wishes to inform the general public that the list of successful candidates for the 12th cohort of the Graduate Internship Programme has been released. The internship period will run from **March 2026 to February 2027**.

The public is informed that officials from the Ministry will be dispatched to all districts to facilitate the signing of contracts and completion of GP1 forms by the newly recruited interns. A detailed schedule outlining the dates and venues for the contract signing across all districts is attached to this release.

All interns are required to present the following documents during this exercise:

- **Original** and **two photocopies** of their degree certificate
- **Original** and **two photocopies** of their National Identity Card
- **Two recent** passport-size photographs

Interns are advised to verify their bank account details in advance to ensure that only valid account numbers are submitted for stipend processing.

The Ministry would like to request all Ministries, Departments and Agencies (MDAs) to comply with the policy on **one (1) year** internship duration. Retention of Interns by some of the (MDAs) beyond the one-year duration contravenes the policy.

The Ministry is calling upon all heads of MDAs to actively engage interns in meaningful tasks that will help them gain practical experience. Heads of MDAs are requested to support new interns to ensure that they are properly oriented and are smoothly transitioned into their assigned workplaces.

The Ministry appreciates the continued collaboration of all stakeholders in making the Internship Programme a success.
