Republic of Malawi

PRESS RELEASE

INTAKE OF INTERNS INTO THE 2024/25 GRADUATE INTERNSHIP PROGRAMME (THE 9th COHORT)

For Immediate Release

February 26, 2024
Ministry of Labour
Lilongwe

The Ministry of Labour wishes to inform the general public that a list of names of new intake of interns into the 9th cohort of the programme has been released. The Ministry also wishes to remind all interns from 1st to 7th Cohorts, whose contracts expired, to stop reporting for work and give space for other interns to be accommodated.

In line with the release of the names for the 9th cohort, the Ministry will send officials to all districts to administer contract signing and filling of GP1 forms by the newly recruited interns. During this exercise, all interns are requested to bring two copies of their certificate (degree), two passport size photos and two copies of their national identity card, in addition to the original certificate and national identity card. Prior to the contract signing exercise, all interns **should verify** their bank accounts to ensure that only valid account numbers are submitted for processing of stipends. A schedule for contract signing program for all districts is herewith attached.

Please note that the Government policy is to engage interns for a maximum period of one (1) year. In view of this, Government will not extend interns' contracts beyond one (1) year, irrespective of any circumstances. Therefore, the 9th cohort of interns will run from March 2024 to February, 2025.

All relevant stakeholders are requested to support the interns to enable them settle smoothly in their designated workplaces. The Ministry wishes to further appeal to all heads of institutions to ensure that interns are adequately engaged in work to enable them gain relevant experience, which is the ultimate objective of the programme. Heads of sections should ensure that all interns have their original certificates, National ID and signed contract on the day of reporting as a means of verification.
